Nemesi Philip Roth
Siamo nella Newark del 1944: in Europa e nel Pacifico infuria la guerra mentre a Weequahic, il quartiere ebraico della città, esplode un focolaio di poliomelite. La paura della malattia e delle sue terribili conseguenze cambia le abitudini dei bambini e dei ragazzi del quartiere: ma non di quelli che si ritrovano per giocare a baseball al campo sportivo di cui Eugene "Bucky" Cantor è il responsabile. Bucky ha ventitre anni e il fisico aitante: l'unico suo difetto è una miopia così forte da avergli impedito di partire per la guerra. Il giovane ne è avvilito come se fosse una colpa di cui si è macchiato: tanto più che i suoi migliori amici sono tutti impegnati al fronte. Ai primi casi di polio, Cantor reagisce come se badare ai ragazzi fosse il suo modo di prestare servizio per la patria: rifiuta di chiudere il campo, anzi fa di tutto per evitare che si diffonda il panico e che la paura modifichi gli stili di vita delle persone. Ma il contagio non cessa di diffondersi. Anche due bambini che erano soliti frequentare il campo sportivo vengono presi da febbre e dolori e quando un altro dei "suoi" ragazzi si ammala e muore, Cantor ne è devastato. Il panico, la paura e la paranoia aumentano giorno dopo giorno e altri ragazzi si ammalano. La fidanzata di Cantor, che sta lavorando in una colonia estiva in Pennsylvania, lo convince a raggiungerla in mezzo a quella natura incontaminata. Cantor crede di essersi lasciato la tragedia alle spalle, ma i suoi peggiori incubi si materializzeranno di colpo.

From reader reviews:

Timothy Lumpkin:

Do you one of people who can't read enjoyable if the sentence chained from the straightway, hold on guys this particular aren't like that. This Nemesi book is readable simply by you who hate those perfect word style. You will find the data here are arrange for enjoyable studying experience without leaving even decrease the knowledge that want to supply to you. The writer associated with Nemesi content conveys the idea easily to understand by many people. The printed and e-book are not different in the written content but it just different as it. So , do you even now thinking Nemesi is not loveable to be your top list reading book?

Paula Salas:

Nowadays reading books become more than want or need but also work as a life style. This reading practice give you lot of advantages. The advantages you got of course the knowledge the actual information inside the book that will improve your knowledge and information. The data you get based on what kind of guide you read, if you want have more knowledge just go with knowledge books but if you want sense happy read one together with theme for entertaining such as comic or novel. The Nemesi is kind of reserve which is giving the reader capricious experience.

Johnny Relyea:

Nemesi can be one of your beginner books that are good idea. Most of us recommend that straight away because this book has good vocabulary that could increase your knowledge in terminology, easy to understand, bit entertaining but delivering the information. The writer giving his/her effort that will put every word into pleasure arrangement in writing Nemesi nevertheless doesn't forget the main stage, giving the reader the hottest in addition to based confirm resource data that maybe you can be among it. This great information can certainly drawn you into completely new stage of crucial pondering.

Luis Morales:

Can you one of the book lovers? If so, do you ever feeling doubt when you are in the book store? Try to pick one book that you never know the inside because don't determine book by its include may doesn't work this is difficult job because you are frightened that the inside maybe not since fantastic as in the outside appear likes. Maybe you answer might be Nemesi why because the amazing cover that make you consider with regards to the content will not disappoint an individual. The inside or content is definitely fantastic as the outside or cover. Your reading 6th sense will directly guide you to pick up this book.
