**Three Legends: The Snow Goose, The Small Miracle, Ludmila** Paul Gallico
One is an enchanting tale from an enchanted land, where the author once lived for seven years; one was inspired by an unforgettably emotional experience at Assisi; on e stemmed from the almost miraculous evacuation of the British at Dunkirk and the haunting memory of a wild bird. These three stories have long deserved to share the same volume, and in an introduction specially written for this book, Mr. Gallico explains why this is so. The stories appeared at intervals of ten years, beginning with The Snow Goose in 1940. Thus a whole new generation has arrived which may never have encountered them all. An enviable experience awaits these new readers, and to those who have read them before it will be a delight to have all three in hand to enjoy once more. They are storytelling classics in the truest sense - to be read aloud, to be cherished, to be passed on to closest friends.
