Bare Bones: A Novel (Temperance Brennan Novels) Kathy Reichs
"Fans of TV's *CSI: Crime Scene Investigation* should be in heaven" (*People*) stepping into the world of forensic anthropologist Dr. Temperance Brennan, star of Kathy Reichs' electrifyingly authentic bestsellers.

She works with the dead, but she works for the living.

"Down time" is not a phrase in Tempe Brennan's vocabulary. A string of disturbing cases has put her vacation plans on hold; instead, she heads to the lab to analyze charred remains from a suspicious fire, and a mysterious black residue from a small plane crash. But most troubling of all are the bones. . . . Tempe's daughter's new boyfriend invites them to a picnic -- a pig pickin' -- in the North Carolina countryside, where a cache of bones turns up. But are they animal or human? X-rays and DNA may link the crimes, but they can't reveal who is closing in on Tempe and her daughter -- and how far they will go to keep her from uncovering the truth.
