Shorttitle: These translational issues in English- Arabic texts hope to explore the translation problems and the solutions on an extended dimension of linguistics, in the sense that the analysis shall include the realm of style. It shall analyze the translation of English political news-texts (source text =ST) into Arabic news-texts (target text = TT) paying more attention on style as well as looking at the changes on the whole message. Mainly, it is a comparative study that examines the stylistic differences between the English ST and their corresponding Arabic texts.
