Domain Name Money Maker: How to Make Money Buying Expired Domains on Godaddy Auctions (TDNAM) and Turning 'Em into Cash Von Money

You're Missing out on Hidden Domain Name Money

I'm continually surprised at two things: 1) how often people let valuable domains drop and 2) how few bidders there are at TDNAM AKA **Godaddy Auctions**.

Domain Name Money Maker is a book about the low-hanging fruit just sitting there at Godaddy Auctions, getting passed by because other bidders have bigger fish to fry.

It may not be sexy to you but consistently turning $20-$30 into $40-$80/yearly websites gets my feathers a little ruffled.

Inside **Domain Name Money Maker**, you'll see how valuable PR domains and traffic domains are ripe for the pickings on TDNAM. For those that do a little domain scouting and put their website private investigator hat on, there's nice profits to be had on The Domain Name After Market. Domain Name Money Maker shows you exactly how it's possible to earn steady income from domains other people have passed by.

You'll find out:

- How to use PR domains to make $5+ per blog post
- How to cash in on forgetful local businesses
- How checking Facebook, Twitter, Yelp, and other websites can increase the chances of making money
- Why you don't need to get in macho bidding wars to get solid domains
- Why it's entirely realistic for you to flip a domain for $500 within a week

You're guaranteed to like this book. No, really. If you don't like Domain Name Money Maker, you have 7 days to get a 100% refund on your money.

Now you have no excuses not to find out what's really going on with expired domains and how people are actually taking one man's trash (or treasure he forgot about) and turning it into another man's treasure.

While not every aspect of domain cashing and/or domain flipping is covered (ie how to make a website), beginners will have no problem understanding how buying expired domains at Godaddy and turning them into money makers works.

Click the Buy Now button above and I bet you'll be heading over to the Godaddy Auctions within 15 minutes. Digging for gold is pretty exciting!

P.S. This is a **risk-free purchase**. If you're not satisfied with Domain Name Money Maker, you have a full 7 days to return this book for a 100% refund.

March 2014 Bonus Update
