Strange Bedfellows: The Private Lives of Words

Howard Richler

Strange Bedfellows: The Private Lives of Words Howard Richler
Literary Nonfiction. The bawdy English language has never been overly concerned with purity, and this promiscuous proclivity has contributed to many alluring word histories. Richler combines his etymological talents with those of the muck-raking journalist to expose the louche baggage that many words have accumulated throughout the centuries. Composed of short chapters with each containing ten words from specific fields, STRANGE BEDFELLOWS will surprise and delight the reader.
