Living Italian Maria Valgimigli, Derek Aust
Do you want to learn Italian or brush up what you know already? Are you looking for a course with a traditional approach to language learning, based on solid grammatical foundations, translation skills and practical vocabulary? If so, this is the course for you.

The material covers a variety of everyday topics in a simple, concise manner. There are plenty of examples and explanations to illustrate how the language works and to build confidence.

This new, 6th edition comes with a brand new 32pp test-yourself section giving you extra practice and allowing you to monitor your progress as you go through the course, helping you keep on top of tricky grammar points and regularly testing the vocabulary you're learning.

The accompanying CD will help with listening and speaking. In addition to a full pronunciation section, it contains reading passages and dialogues from the course book, followed by comprehension questions in Italian, together with model answers.
