Path of A Rising King: Dawning Kismet Gaven Godbolt
Ever since Jayson Ryan King could recite his first rap song, all he wanted to do was become a professional recording artist. His father thinks he's wasting his time, but Jayson can think of nothing else. Even with high hopes and relentless ambition, it still isn't enough to get his music career off the ground and get him out of Florence, South Carolina. That is until his cousin Theeyonce comes in town and tells him about a booming opportunity that could await him in Harpoon city. Desperate for change, Jayson takes a leap of faith and follows his cousin to achieve the American dream. While quickly noticing the difference between Florence and The Harp, Jayson soon discovers that this city could be harboring some strange bedfellows, and that the price for fame could cost him a great deal more than he can afford. The longer he stays there he begins to acknowledge the uncontrollable pull Harpoon City has. Among the strange conversations and multiple warnings from people telling him to leave and go back to Florence, Jayson is finally crossed with a revelation that may force him to actually consider going back to the south. The question is, will he be able to?

“Yo Uncle Mike do something,” I said.
“I warned you about leaving Harpoon City. You're at the mercy of the law now son, I'm sorry,” he admitted.
