Let Me Finish Telling You...My Story: I Don't Look Like What I've Been Thru (You Don't Know My Story Book 3) Tisha (also known as Hope Destiny)
In the latter part of my life, I have learned a lot but when I think I have learned something and grew then there is always something else to overcome. I have learned that life is a big challenge and everything in life does not go as planned. In this journey of my life I battle with infidelity, mental issues, health issues, spirituality and other forces that may or may not be beyond my control.

When we get older and the kids are at that age of caring for themselves, you think you will have freedom to do what you want and just go where you wanna go but you will find in this story that is not always the case.

This story is much more emotionally charged than the last and I wrote it thru my very own tears as it was a trying time for me.

So let me finish telling you...my story!
