The Man Irving Wallace
With a Foreword by JAMES EARL JONES &
A Spcial Afterword by Irving Wallace's son, bestselling author DAVID WALLECHINSKY

The time is 1964. The place is the Cabinet Room of the White House. An unexpected accident and the law of succession have just made Douglass Dilman the first black President of the United States.

This is the theme of what was surely one of the most provocative novels of the 1960s. It takes the reader into the storm center of the presidency, where Dilman, until now an almost unknown senator, must bear the weight of three burdens: his office, his race, and his private life.

From beginning to end, The Man is a novel of swift and tremendous drama, as President Dilman attempts to uphold his oath in the face of international crises, domestic dissension, violence, scandal, and ferocious hostility. Push comes to shove in a breathtaking climax, played out in the full glare of publicity, when the Senate of the United States meets for the first time in one hundred years to impeach the President.
