Power of choice

Our choices can lead to happiness or sadness. Due to the situations many people find themselves in, they think that the power of choice has been taken from them. They feel helpless, out of control of their own life.

There are two main choices in this world, you can choose to FEAR the future, which limits the options available to you, or you can choose to have FAITH which opens up unlimited options.

Through the media. Be it television, newspaper or The Internet we can be bombarded with fear from a morning to night, so much so that we become accustomed to it and take it as the norm. If you are looking for examples of faith then you have to search for it, seek it out.

In this book, I would like to restore some of that faith that may have been taken from you throughout the years. I will share stories of how both faith and fear are equally powerful and need to be treated as so.

FEAR can bring sickness, depression, heartache.
FAITH can bring healing, good fortune, mental clarity.

When you take responsibility that the power of choice is within you and not in the circumstances that affect your life then with that comes an within bliss, as when you stand in faith that allows Gods love to flow into your life, creating stronger family bonds, peace of mind, healing, often off incurable diseases.

I welcome you today to make a choice of faith and learn to leave fear behind. Where you once seen a dead end, you will now see crossroads.

I leave the choice to join me up to you. Have a great day.
