The Theology of Time Addendum: A Table of Content & Index to the Subject Indexed version of The Theology of Time First and Second Printing Elijah Muhammad
This Theology of Time addendum is a companion to a subject indexed compilation of twenty lectures given by Elijah Muhammad, Messenger of Allah, between the periods of June 4, 1972 and October 29, 1972. The setting was the dedication of Temple #2, Chicago, IL, wherein the Messenger was the keynote speaker for the next twenty lectures. Many of the Messenger's Ministers were present and took part in introducing, opening and closing lectures for the Messenger. Dedication of the the purchase of the new Temple was a grand occasion. This was very significant in light of the Messenger being forbidden up to that time to speak. He stated that Allah had forbade him to come out until it was time. Excerpts from the lecture series were put into the Muhammad Speaks Newspaper. The entire lecture dedication was transcribed; however, the entire transcript was not published until the early 90's by the former secretary of the Nation of Islam. This first printing was published in the form of a subject indexed format, which made for easy reading. Additionally, this edition was published without a table of content or an index. In an earnest effort to rectify this unfortunate oversight, Secretarius MEMPS offers this addendum.
