Long Way Down (A Jason Stafford Novel) Michael Sears
From the author of the acclaimed, award-winning debut novel *Black Fridays*, a story of murder, greed, and corruption—and the lengths to which one man will go for his family.

Two years in a federal prison has changed Jason Stafford, but one thing it has taught him as a financial investigator is how to detect a lie. Though Philip Haley has been indicted for insider trading on his own company, Stafford believes him when he says he's been set up. It does make him dangerous to be around, though. The deeper Stafford investigates, the more secrets he uncovers . . . secrets people would kill for.
