Marcus: Scifi Alien Invasion Romance (Hell Squad Book 1) Anna Hackett
In the aftermath of a deadly alien invasion, a band of survivors fights on...

In a world gone to hell, Elle Milton--once the darling of the Sydney social scene--has carved a role for herself as the communications officer for the toughest commando team fighting for humanity's survival--Hell Squad. It's her chance to make a difference and make up for horrible past mistakes...despite the fact that its battle-hardened commander never wanted her on his team.

When Hell Squad is tasked with destroying a strategic alien facility, Elle knows they need her skills in the field. But first she must go head to head with Marcus Steele and convince him she won't be a liability.

Marcus Steele is a warrior through and through. He fights to protect the innocent and give the human race a chance to survive. And that includes the beautiful, gutsy Elle who twists him up inside with a single look. The last thing he wants is to take her into a warzone, but soon they are thrown together battling both the alien invaders and their overwhelming attraction. And Marcus will learn just how much he'll sacrifice to keep her safe.

Note to readers: This post apocalyptic sci fi romance contains a lot of action (think invading aliens, explosions and gunfights), tough warriors (the sexy, battle-hardened soldiers of Hell Squad) and a steamy romance (lots of sexy times between a gutsy survivor and a tough, scarred warrior). So if you like it fast, and gritty, and sexy, this is for you!

Q & A with the Author

Q - How would you describe the Hell Squad series?

A - Tough, alpha soldiers battling invading aliens. Hell Squad is science fiction romance with a dose of post-apocalyptic grit and a serve of military romance. There is lots of action, adventure and romance. But even in the middle of a fight for survival, the series is focused on hope, friends, family and love. Hell Squad has been one of my bestselling series and I'm thrilled the Hell Squad gang have so many fans.

Q - Why did you want to write the series?

A - I love action, adventure and romance. And I love science fiction romance and all the endless possibilities. I also wanted to write something that was a little darker and grittier than my more adventure-filled series, the Phoenix Adventures. Then I had this image of a former society party girl wearing fatigues squaring off with a scarred, battle-hardened soldier and Hell Squad was born. I'd intended it to be a single story...but the Hell Squad soldiers had other ideas and literally came to life as I wrote the first book!

Q - What order should I read the books in?

A - All the Hell Squad books have stand-alone romances in them but the action arc of the invading aliens

grows with each book. Many readers have entered the series with later books and they haven't been lost, but, characters from the early stories do appear in later books and I really think it adds something to the reading experience to read them in order. Here's the order I suggest:

- Marcus
- Cruz
- Gabe
- Reed
- Roth
- Noah
- Shaw
- Holmes (coming soon)

About Anna: I'm passionate about all things action romance. I love stories that combine the thrill of falling in love with the excitement of action, danger and adventure. I write about people overcoming unbeatable odds and achieving seemingly impossible goals. I like to believe it's possible for all of us to do the same.

The Hell Squad Series:
- Science Fiction Romance
- Action Adventure Romance
- Post-apocalyptic Romance
- Alien Invasion Romance
- Futuristic Romance
- Military Romance
- Paranormal Romance
