Shifting Priorities in Russia's Foreign and Security Policy (Global Interdisciplinary Studies)

Rémi Piet

Shifting Priorities in Russia's Foreign and Security Policy (Global Interdisciplinary Studies) Rémi Piet Given the resurgence of Russian economic capabilities and of Russia's role as a regional, even global, political actor, much of the literature written more than 4-5 years ago is already dated. The editor and contributors to this timely volume draw upon a broad range of analysts who deal with various aspects of Russian relations with its neighbours to the West and to the East. Implications for Russian foreign and security policy are key to understanding Russia's position in the 21st Century. Readers in Russian foreign and security policy; European, Eurasian, and Asian security; and contemporary international politics/security will find this volume invaluable.
