Life Hacking the Trading World: Beat the Markets by Emulating Professionals T Smith
Work harder, but not at trading. You can learn a simpler method to beating the markets and the pros. Life Hacking the Trading World is for traders familiar with ETFs and Options, but who don't yet have an equity curve demonstrating Alpha. It is a starting point for those who are ready to get serious, and start making money in the markets. Rather than pursuing the bragging rights associated with inventing your own trading strategy, the author invites you to Plagiarize Alpha by slightly tweaking simple trading systems to generate higher returns with less downside risk. By looking at three well-known strategies, learn how to "Life Hack" your own trading systems -- moving you from an amateur to a market-beating trading veteran. The paperback version contains full-color graphs, and all the same materials as the ebook version.
