The Devil's Detective (Vintage Crime/Black Lizard) Simon Kurt Unsworth
Something is changing in Hell.

A man is found dead, murdered in a horrific manner--even by Hell's standards--and he is merely the first of many. Unfortunately, these deaths coincide with a political visit from a Heavenly delegation, so the pressure is on Thomas Fool, an Information Man, to track down and identify the murderer. It's critical that Fool solves these crimes, but how can he find a killer in a place where murder is common currency?

With no memory of his past but an irresistible drive to discover the truth, Fool will follow the trail of clues straight into the heart of a dark and chaotic conspiracy. A revolution is brewing in Hell . . . and nothing is what it seems.
