A firm foundation for understanding empowerment-focused social work, engaging clients, conducting solution-oriented assessment, and implementing, evaluating, and stabilizing change.

This widely popular resource provides a firm foundation for understanding empowerment-focused social work, engaging clients, conducting solution-oriented assessment, and implementing, evaluating, and stabilizing change. It demonstrates a progressive practice approach that is grounded in social work research, reflective of social work values, sensitive to client diversity, and applicable to working with any level of client system including individuals, families, groups, organizations, and communities.

General Social Work Practice gives readers a method that fully realizes core social work values, respects client competence, and activates client resources within the context of their lives, beginning with engaging clients as partners and continuing with assessing, intervening, and evaluating from a strengths perspective. Thoroughly up to date, the book includes relevant information on contemporary trends in social work practice, revisions of the popular critical thinking questions consistent with the Council on Social Work Educations' (CSWE) current core competencies and practice behaviors, and new links to e-resources to promote student learning and assessment. The Enhanced Pearson eText features embedded videos and assessments.

Improve mastery and retention with the Enhanced Pearson eText*
The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content. The Enhanced Pearson eText is:
