Returning to Earth: A Novel

Jim Harrison

Returning to Earth: A Novel Jim Harrison
Hailed by *The New York Times Book Review* as “a master … who makes the ordinary extraordinary, the unnamable unforgettable,” beloved author Jim Harrison returns with a masterpiece—a tender, profound, and magnificent novel about life, death, and finding redemption in unlikely places. Slowly dying of Lou Gehrig’s Disease, Donald, a middle-aged Chippewa-Finnish man, begins dictating family stories he has never shared with anyone, hoping to preserve history for his children. The dignity of Donald’s death and his legacy encourages his loved ones to find a way to redeem—and let go of—the past, whether through his daughter’s emersion in Chippewa religious ideas or his mourning wife’s attempt to escape the malevolent influence of her own father. A deeply moving book about origins and endings, and how to live with honor for the dead, *Returning to Earth* is one of the finest novels of Harrison’s long, storied career, and will confirm his standing as one of the most important American writers now working.
