2nd Declaration of Havana

Fidel Castro

2nd Declaration of Havana Fidel Castro
Two manifestos of the Cuban people to the oppressed and exploited throughout the Americas. The first declaration, proclaimed September 1960, calls for "the right of the peasants to the land; the right of the workers to the fruit of their labor; and the right of nations to nationalize the imperialist monopolies." The second declaration, February 1962, calls for continent-wide revolutionary struggle. "What does the Cuban revolution teach?" it asks. "That revolution is possible."

Karen Bright:

As a student exactly feel bored in order to reading. If their teacher questioned them to go to the library in order to make summary for some guide, they are complained. Just minor students that has reading's soul or real their passion. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this 2nd Declaration of Havana can make you really feel more interested to read.
