Asperger Syndrome Michael R. Emlet
Someone you love has been diagnosed with the neurological disorder Asperger Syndrome. You are already experiencing the social struggles, communication difficulties, and other challenges, but you are also looking for hope. Does the Bible speak to this struggle? In CCEFs Asperger Syndrome: Meeting the Challenges with Hope, Michael R. Emlet combines his experience as a physician and a biblical counselor to explain Asperger Syndrome and highlight the unique place each person, including those with AS, have in God's family. He gives biblical, practical advice on how to deal with the spiritual challenges of AS and encourages with the truth that each person has inherent dignity and worth. New Growth Press minibooks are frequently used by pastors and ministry leaders to help others apply biblical wisdom to specific life issues. Churches, biblical counseling ministries, and missional organizations make the minibooks available in their acrylic display cases to further discipleship and gospel-centered living.
