The Deepest Cut (A Sons of Navarus Short Story) Gabrielle Bisset
For Vasilije, Sasa is more than just one of his vampires. She's the only vampire he keeps in his life now. That comes with many perks, but also with its fair share of pain as Vasilije can be thoughtless of his empath girlfriend's feelings. His forgetfulness in this area has allowed another Son to befriend Sasa, and the result was Thane's willing assistance in feeding her while Vasilije was once again absent from her side.

Sasa is loyal to her sire and mate, but her mind is plagued with doubts that Vasilije isn't the devoted male she's believed him to be. The ease with which he leaves her makes her wonder if his eyes and other body parts have begun to stray from her. Naturally, she turns to her only true friend for sympathy, and Thane is happy to listen to the woman he secretly loves.

Conflict over a female between two alpha males can lead to a fatal misstep when so much is at stake. The Sons of Navarus can't afford to let their focus slip from deciphering the Prophecy of Idolas and defeating the Archons, and now more than ever they need to be united in their fight to save the vampire world.

The Deepest Cut is a short story set between Blood Spirit (Sons of Navarus #3) and Blood Prophecy (Sons of Navarus #4). It is meant as a supplement to the series, not a stand alone story.
