Dog Training: 7 EXACT Steps to Train the Stupidest, Most Insane Dog to be the Most Loyal, Loving & Obedient Member of your Family (Dog Training, Dog Training Book, Puppy Training Book 1) Jill Lopez

Turn Your Dog into a Loving, Loyal & Obedient Member of the Family... Guaranteed. Just Learn These Fundamentals First...

Do you often find yourself having problems with your pooch? Is he going to areas of the house he is not supposed to? Is your dog disobeying direct orders and simply not recognizing you as the alpha? If you are having a hard time living with your dog, then this book is for you! With the proper approach, you can turn your little rebel into the perfect family dog who is obedient and protective of every member in the family.

Here is a Preview of What You Will Learn:

- Find out exactly where dog loyalty starts!!!
- Find out how to earn the loyalty of your rescue dogs!!!
- Establish dominance in just one simple walk!
- Find out how to conduct obedience training...
- Know what your dog really needs and how to supply those needs...
- Establish yourself as the irrefutable alpha and earn your dog’s love, loyalty, and obedience...

Dogs have different personalities, but there is no question that they respond the same way to basic stimuli. By providing pooches with all their needs including the emotional and psychological ones, you can turn even the most stubborn dogs into loyal pets. In fact, you should understand that dogs are naturally inclined to be part of a pack! This simple temperament is already working for you – all you have to do now is to make sure that the dog views you as the perfect alpha material! In this book, YOU will be given complete access on how to access and control these stimuli to turn your dog into a doting, well-balanced family pet!

Find out exactly what it takes and in the process, be the perfect owner every dog has ever dreamed of! You may not reach Dog Whisperer level but with the help of this book, you will be able to forge a long-lasting and deeply satisfying relationship with your four legged best friend. The principles applied in this book may also be utilized for other dogs, regardless of the breed, gender, and age.
