Germany 1800-1870 (Short Oxford History of Germany)

Germany 1800-1870 (Short Oxford History of Germany)
The years 1800-1871 were a crucial formative phase of modern German history. This volume, written by an international team of experts, provides a comprehensive overview of the era. It includes a narrative of the major political events and detailed studies of economy and society, culture and the arts, religion, gender, public life and the nation. An introduction and conclusion weave together the different themes of the book and there is a detailed further reading section.
