Ontologies-Based Business Integration

Michael Rebstock, Fengel Janina, Heiko Paulheim

Ontologies-Based Business Integration Michael Rebstock, Fengel Janina, Heiko Paulheim

The globalization of everyday business and increasing international trade lead to a growing need to improve national and international business collaborations and transactions. This book shows what ontology management can do for process, information and application integration under dynamic e-business conditions. The authors discuss research results and develop novel methods and frameworks. They then apply them to build business use application components deployed as web services.
