She couldn't be pregnant…

Except apparently she was! Still, Sassy Matthews was a woman on a mission. She'd come to Carson City to find her biological parents—not to faint in the arms of the lawyer who'd met her plane! Of course, finding out she was going to be a mommy didn't exactly fit into her plans either. Now what was a girl to do?

Jett Sundell wanted to keep an eye on Sassy—and not just because her new "family" suspected her of being a gold digger. Sassy captured his interest from the second she fainted into his arms, but she was pregnant with another man's child! Jett knew he might be able to provide Sassy with the link to her past, but she might just be the key to his future.
