Advanced Skills in Executive Protection A. Hunsicker
Any professional actively engaged in the executive protection field, novice or veteran, whether in a team or as team leader, must train for, and be able to pinpoint, even the most unexpected security concerns. The continuation of The Fine Art of Executive Protection - Handbook for the Executive Protection Officer (2007), Advanced Skills in Executive Protection contains carefully selected and illustrated material for the executive protection and security enforcement professional. All available training and study material, individual case studies, and real scenarios, combined with professional experience, serve as the foundation for this specialist's manual. For the client, as a prospective principal, it provides important details that will assure lifesaving protection. Comprehensive, detailed, and straightforward, Advanced Skills in Executive Protection is the only book to offer an in-depth look into the operational aspects of executive protection. It guides the reader through a diversity of advanced disciplines and skills and contains all the necessary ingredients for effective protection planning. Information about every aspect of executive protection is not only an important part of the professional's ongoing training curriculum, but is also crucial for the client who seeks this professional protection, to face not only today's protection needs, but also those of the future.
