The **Companion to the Seventh-day Adventist Hymnal** seeks to remedy these two defects by calling attention in particular to the words of the hymns so that the hymns will be much more appreciated and their spiritual effect heightened. Comments, where appropriate, have also been made on the tunes, so that both authors and composers will come to life, so to speak, In this way, attention will be focused on the hymn-singing part of divine service.

The **Companion** may also serve as a resource for ministers and lay persons to illustrate their sermons and to enable them to make a wise choice of hymns.
