Innovate #9

Grey Wolf, Gavion E Chandler

Innovate #9 Grey Wolf, Gavion E Chandler
This issue we feature an up-and-coming talented young artist from Sussex, Chloe Leggett whose work combines a variety of media and styles. Gavion E. Chandler's column 'The Art of Man' this time examines the issue of whether Technology is good for the artistic process, and includes a debate with Daniel Mollenkamp on that issue. Paul V Cwiakala's serialised story 'A Slave of the Birdmen' continues with Part 2, and we also welcome short story submissions from Kyle Hemmings and Stephen McQuiggan. Our Featured Poet is Rose McConahy who provides a fascinating insight into her poetic journey, as well as her love of the angel oak. Poets' Corner is likewise full of a variety of great work from a range of poets. We are grateful to Jessica Fletcher (not THAT one!) for the poem 'Ozone To Hell' written by her late father, Sean Fletcher. Garrett Rowlan provides an intriguing look at American cinema and its relationship with narrative fiction with his essay 'Decline In The West: the Hollywood Novel' Rounding this issue of Innovate off, is a look at 'The Welsh Chapel: Decline and Disappearance' exploring the phenomenal growth of the Non-Conformist tradition in the 19th century, and its almost complete disappearance as a living entity from many Welsh towns in the current day.
