Beauty and the Werewolf (San Francisco Wolf Pack)

Kristin Miller

Beauty and the Werewolf (San Francisco Wolf Pack) Kristin Miller

A paranormal category romance from Entangled's Covet imprint...

This lone wolf falls hard...for his enemy.

Unmated werewolves don't normally live past three hundred years old...and billionaire Jack MacGrath is cutting it close. Sure, he has almost everything-the respect of his peers, a mansion in San Francisco, a private jet, and fast cars. But without a mate, Jack's in trouble. Then he sees her. Gorgeous, proud...and his enemy.

Isabelle Connelly is good at hiding things from her father. Like her success as a painter, or the incredibly intense attraction she has to Jack MacGrath. After all, she's royalty and falling for anyone lesser-to say nothing of a rival pack-would be, er, *unseemly*. Now she must choose between her duty to her family and her pack...or her perfect fated mate.
