Bullet Park (Vintage International) John Cheever
Welcome to Bullet Park, a township in which even the most buttoned-down gentry sometimes manage to terrify themselves simply by looking in the mirror. In these exemplary environs John Cheever traces the fateful intersection of two men: Eliot Nailles, a nice fellow who loves his wife and son to blissful distraction, and Paul Hammer, a bastard named after a common household tool, who, after half a lifetime of drifting, settles down in Bullet Park with one objective—to murder Nailles's son. Here is the lyrical and mordantly funny hymn to the American suburb—and to all the dubious normalcy it represents—delivered with unparalleled artistry and assurance.
