Nursing Ethics And Professional Responsibility In Advanced Practice Pamela J. Grace
Nursing Ethics and Professional Responsibility in Advanced Practice equips healthcare professionals with the tools they need to address the ethically complex issues they face in daily practice- both across specialty areas as well as within an area of specialty practice. This unique and comprehensive resource provides a philosophical base for professional responsibility, it explains complex ethical ideas in accessible terms, and presents contemporary examples from actual practice. The book presents ethical issues across a variety of interests with topics ranging from the nature and source of human rights, social justice, human subjects research, acute care practice, and primary care to contemporary content in gerontology and end-of-life care.
