The True Story of Christopher Columbus Called the Great Admiral, Told for Youngest Readers (Classic Reprint) Elbridge S. Brooks
This True Story of Christopher Columbus is offered and inscribed to the boys and girls of America as the opening volume in a series especially designed for their reading, and to be called Children s Lives of Great Men. In this series the place of honor, or rather of position, is given to Columbus the A dmiral, because had it not been for him and for his pluck and faith and perseverance there might have been no young A mericans, such as we know to-day, to read or care about the worlds great men. Columbus led the American advance; he discovered the New World ;he left a record of persistence in spite of discouragement and of triumph over all obstacles, that has been the inspiration and guide for Americans ever since his day, and that has led them to work on in faith and hope until the end they strove for was won. The True Story of Christopher Columbus will be followed by the true story of others who have left names for us to honor and revere, who have made the world better because they lived, and who have helped to make and to develop American freedom, strength and progress. It will be the endeavor to have all these presented in the simple, straightforward, earnest way that appeals to children, and shows how the hero can be the man, and the man the hero. E. S. B. (Typographical errors above are due to OCR software and don't occur in the book.)
