Aging, Health, and Longevity in the Mexican-Origin Population (Social Disparities in Health and Health Care)

Aging, Health, and Longevity in the Mexican-Origin Population (Social Disparities in Health and Health Care)

Aging, Health, and Longevity in the Mexican-Origin Population creates a foundation for an interdisciplinary discussion of the trajectory of disability and long-term care for older people of Mexican-origin from a bi-national perspective. Although the literature on Latino elders in the United States is growing, few of these studies or publications offer the breadth and depth contained in this book.
