Basic Truths of the Christian Faith is an interactive workbook that is part of a discipleship series. This study has thirteen sessions that cover thirteen fundamental Christian doctrines (i.e. The Bible, The Triune God, Satan, Humanity, Salvation, The Church, etc.) This study is ideal for self-study, one-on-one, or small group settings. And possibly most importantly, this study is designed to be easily reproduced from one disciple to another. Every disciple that goes through this study will be able to take other future disciples through this study, and then teach them to make disciples by doing the same, and so on, and so on.
