Managing Value (The TOP 10 TOPics Collections) Jed Simms
Generating the value from projects is a challenge - not least because 'value' is not well understood.

In these 10 articles a range of value delivery and management issues are discussed including "The elephant in the room" and "10 easy ways to destroy the value of your project."

Board members, executives and project practitioners will all benefit from this frank practical advice on how to manage and deliver value from project investments.

NB If you cannot manage the value on projects, you should not be doing them!
