Dreaming With Tony De Mello John Callanan

This book brings the energy and work of Tony de Mello to a wider audience. It illustrates some of the central themes of de Mello's life and vision – being fully alive as a follower of Christ and as a human being – and explains in some detail how de Mello ran his prayer workshops and fantasy exercises. It also contains prayer exercises, gospel meditations and fantasy prayer created by John Callanan based on the style made popular by de Mello. Dreaming With Tony de Mello is a hands-on, very practical exploration of types of prayer which the author has found to be effective and popular, particularly with young people.
