The Bird's Nest

Shirley Jackson

The Bird's Nest Shirley Jackson
Shirley Jackson's third novel, a chilling descent into multiple personalities

Elizabeth is a demure twenty-three-year-old wiling her life away at a dull museum job, living with her neurotic aunt, and subsisting off her dead mother's inheritance. When Elizabeth begins to suffer terrible migraines and backaches, her aunt takes her to the doctor, then to a psychiatrist. But slowly, and with Jackson's characteristic chill, we learn that Elizabeth is not just one girl—but four separate, self-destructive personalities. *The Bird's Nest*, Jackson's third novel, develops hallmarks of the horror master's most unsettling work: tormented heroines, riveting familial mysteries, and a disquieting vision inside the human mind.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
