**Through the Lens of Reality - Thoughts from a Maturing Grandpa** Jerry Rabe
In *Through the Lens of Reality: Thoughts from a Maturing Grandpa*, author Jerry Rabe offers insights on the challenges we all now face--the population explosion, global warming, and energy needs; our nation's troubled finances; and the fact that a billion people are struggling to survive while trapped in abject poverty.

Rabe's message is one of "hope and love and possibilities," but it's also a disturbing message; "an all-important wake-up call … about you and me and our future. … It connects our individual beliefs and conduct--the ideologies and myths we hold and the decisions we make--with the fate of the nation and the world we will leave our children."

Rabe addresses such issues as the Middle East conflict; the presence of evil; our nation's tragic loss of character after 9/11; our individual struggle to live a happy, meaningful lives; and more. His is not idle meandering; Rabe has contemplated what the "gift of existence" means, and is passionate about sharing his visionary message.
