Excerpt from Hudson Taylor in Early Years: The Growth of a Soul

This book makes no claim to being anything but a true and grateful record of the Lord's dealings with our dear father in his early years. It is not fiction, though the form in which it has come to us is unusual, perhaps, for a biography. It is the faithful story of the growth of a soul in the knowledge and love of God. Drawn mainly from Mr. Taylor's own letters and recollections, which are freely quoted, it has been pondered and prayed over until it seems to have lived again in our hearts.

Many a time as it has grown to completion, in spite of hindrances from without and within that only the power of God has overcome, we have felt profoundly that the place whereon we stood was holy ground. Most gratefully do we thank all who have waited so patiently for this book, and to whose help in prayer we know it is largely due that it appears at length. May they find in its pages some fragrance of the life they loved, because it brought them nearer to God, and strengthened them in seeking to live for His glory and the good of many.

Praying that the cleansing of the precious blood of Christ may be upon all that is not of Him, we commit it now to His blessing whose touch alone can turn the water into wine.
