Lady Elizabeth is bored! After already having two seasons in London, her fun-loving spirit is sorely tried by the thought of spending yet another dull season with the elite of London, until she decides that the good Lord helps those who help themselves.

Lord Grey returns to England after the Napoleonic wars to take the helm of his family's estate after his father's untimely death. His bitterness and unforgiveness are momentarily forgotten as he spots a beautiful woman on a secluded balcony. Little does he know his sister's childhood friend has grown up and into her own women who will challenge his actions and long-held beliefs.

But will the strong-willed Lizzie, and the stubborn Lord, be able to put aside their differences and come together in this age of rules and societal constraints?
