The Wisdom of Water Alanna Moore
In this esoteric discourse by Australian geomancer Alanna Moore, we see how water conveys intelligence, vitality and healing to landscapes, as well as our own watery being. Found by water diviners in locations undreamed of by hydrologists, water's manifestations are often mysterious. The earliest sacred sites were connected to water and spiritual traditions flowed from them. The Wisdom of Water pays homage to water's role in landscapes, it's subtle energetic aspects and global folk traditions. And it suggests how we might relate to water in a more meaningful and sustainable manner today.
