Cancer Success Stories - Book 1: In Search Of A Cure Chris K. H. Teo
This book contains sixty-one stories about people struggling and searching for cure of their cancers. Many people have the notion that only medical science and procedures can cure their cancers. Unfortunately, a cure remains ellusive. For those who have failed, perhaps there is still time to reevaluate their strategy. This book documents an anternative/complementary method to cancer management. There may be still hope when people say you have no hope!
