Kippur - the Final Judgment: Apocalyptic Secrets of the Hebrew Sanctuary Diego D. Sausa
Is the world coming to an end? Will mankind be able to eventually resolve the world s current problems and make it a better place to live in, or is mankind on the edge of an unstoppable self-destructive course? Are we all alone in the universe and just happen to exist by chance, or is there a God who is in control? If there is a God, why do bad things happen? What is He doing now? For the first time, the answers to these questions have been unraveled by the author in a profound yet simplistic way. Dr. Sausa demonstrates that the Hebrew sanctuary symbolism gives a detailed roadmap of God s plan for the final restoration of mankind back to eternal bliss and perfection. He shows through the books of Leviticus, Hebrews, Daniel and the Apocalypse that we are indeed on the verge of this final cosmic mega-cataclysmic change.
