Deep Water Christine M Nelson
A romantic cruise around the Greek Islands could be just what Moana needs to help her break free of the stifling grief that has trapped her for too long. But can she find her way back into life—and love—without being hurt again? Advised to trust her instincts, Moana finds herself confused, and intuition is no help when trying to differentiate between superficial attraction and real love—or something much darker and more sinister. Travelling through the dramatic theatre of ancient civilisations, Moana embarks on an disturbing journey of self-discovery that could transform her life with wholeness and happiness, or plunge her into misery far worse than any she has known before.
