How The World Really Works

David Ashton

How The World Really Works David Ashton
This book is a quick reference guide, to point you in the direction of what has truly happened in the last 400 years, and what is to come; especially for the next 20-30 years.

It is about helping you survive, if it is at all possible. He will describe what has happened to you and the western world, which has accelerated what is about to occur on the earth.

If you currently hate religion, or the Catholic Church as the author mistakenly did for a short time, he will demonstrate to you what is really going on in this World, and with some due diligence you will start to soften your stance.
