Introduction to the Gospel of Luke: A Guide to the Needs of the Future William S. Stob
Although many Gospel accounts were written in the first century (cf. Luke 4:1), only four were needed and included in Scripture to meet the needs of all mankind. The characteristic differences of the four Gospels reveal that Luke's narrative was ideally suited for a Greek audience.
This Introduction to Luke examines (1) the historical background for the reception of the Gospel message; (2) a major theme of Luke that sets it apart from the other Gospels; (3) the nature, accomplishments, and spiritual needs of the Greek people; (4) the reason for--and ways by which--special emphasis is put on the perfect humanity and high-priestly work of Christ; and (5) the importance of the Holy Spirit in making the common testimony of the four Gospels real in the life of the believer.
This work is divided into three main divisions: (1) the Plan and Work of God the Father, (2) the Person and Work of God the Son, and (3) the Power and Work of the Holy Spirit.
