Latter-day Prophets and the Doctrine and Covenants Roy W. Doxey

Elder Doxey's studies on the Doctrine and Covenants have promoted the publication of other popular Latter-day Saint books. *The Latter-day Prophets and the Doctrine and Covenants* series has proven equally popular. *The Latter-day Prophets and the Doctrine and Covenants* 4-volume set provides analytical reading concerning sections of the Doctrine and Covenants. Enlightening references have been diligently researched by Elder Doxey and have been found for the verses in each section. Elder Doxey has gathered, verse by verse, references from the General Authorities on these succeeding sections of this standard work of the Church. These illuminating excerpts do much to alert the reader to the significance of the Doctrine and Covenants.
