*Jill Dolan*

**The Feminist Spectator as Critic** Jill Dolan

*The Feminist Spectator as Critic* broke new ground as one of the pioneering books on feminist spectatorship, encouraging resistant readings to generate feminist meanings in performance. Approaching live spectatorship through a range of interdisciplinary methods, the book has been foundational in theater studies, performance studies, and gender/sexuality/women's studies. This updated and enlarged second edition celebrates the book's twenty-fifth anniversary with a substantial new introduction and up-to-the-moment bibliography, detailing the progress to date in gender equity in theater and the arts, and suggesting how far we have yet to go.
