Jonathan Carney:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library or even make summary for some guide, they are complained. Just tiny students that has reading's heart or real their pastime. They just do what the trainer want, like asked to the library. They go to there but nothing reading critically. Any students feel that looking at is not important, boring and can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore ,
